

RUST CONVERTER

Turns Rust to Black Primer

Dries to a hard, sandable,
paintable primer

Inhibits further corrosion
& can be used with body filler

For use on all iron and steel surfaces

DANGER! EXTREMELY PELIGRO! EXTREMADAMENTE FLAMMABLE. HARMFUL OR INFLAMABLE. NOCIVO O LETAL FATAL IF SWALLOWED. VAPOR SI SE INGIERE. VAPOR NOCVIO. HARMFUL. SKIN AND EYE IRRITANT. IRRITANTE DE LA PIEL Y LOS OJOS. CONTENTS UNDER PRESSURE. CONTENIDO BAJO PRESION.
Read other cautions on back panel. Lea las demás precauciones e al dorso.

NET WT 10.25 oz (290g)

Para precauciones y uso en español llamar al 1-800-533-5025

DIRECTIONS FOR USE:

1. Remove loose rust and scale with coarse (50 grit) sandpaper or wire brush. Clean off any grease, salt, dirt, or oil from surface. Before applying this product, wipe the surface with a damp cloth.
2. Shake can well before use. Hold it in an upright position 8-10 inches from surface. Point arrow on button away from you and spray rusted surface with 2 to 3 light, even coats, allowing 2 minutes drying time between coats. To avoid runs and sags, do not apply heavy coats of Rust Converter.
3. Final application should dry to a primer finish. Allow converted coating to dry for 24 hours, while protecting it from rain or dew. For a smooth finish, sand with 320 grit sandpaper before topcoating. Apply topcoat following paint manufacturer's instructions.

IMPORTANT: Carefully read all cautions and directions before use. Protect hands with chemical-resistant gloves and eyes with chemical splash goggles.

HELPFUL TIPS: This product will stain hands. All rusts are not the same due to moisture content and weather exposure. This causes variations in the color produced. For best results, apply at temperatures between 50° and 90°F and avoid direct sunlight and strong breezes.

CLEAN-UP: After each use, clean spray valve by turning can upside down and spraying until gas comes out. Discard empty can in trash. Do not burn, incinerate or place in home garbage compactor.

DISPOSAL: Dispose of in accordance with local, state and federal regulations.

DANGER! EXTREMELY FLAMMABLE. KEEP AWAY FROM HEAT, SPARKS, FLAME AND ALL OTHER SOURCES OF IGNITION. VAPORS MAY CAUSE FLASH FIRE OR IGNITE EXPLOSIVELY. Extinguish all flames and pilot lights, and turn off all stoves, heaters, electric motors and all other sources of ignition during use and until all vapors are gone. **USE ONLY WITH ADEQUATE VENTILATION TO PREVENT BUILDUP OF VAPORS.** Do not use in areas where vapors can accumulate and concentrate such as basements, bathrooms and small, enclosed areas. Whenever possible use outdoors in an open air area. If using indoors open all windows and doors and maintain a cross ventilation of moving fresh air across the work area. If strong odor is noticed or you experience slight dizziness – **STOP** – ventilation is inadequate. Leave area immediately. **IF THE WORK AREA IS NOT WELL VENTILATED, DO NOT USE THIS PRODUCT.** A dust mask does not provide protection against vapors.

DANGER! CONTENTS UNDER PRESSURE. Do not puncture or incinerate. Do not store at or expose to temperatures above 120°F. Exposure to heat or prolonged exposure to sun can cause bursting.

DANGER! HARMFUL OR FATAL IF SWALLOWED. VAPOR HARMFUL. SKIN AND EYE IRRITANT. Contains Acetone and Glycerol Ethers. Reports have associated repeated and prolonged overexposure to solvents with neurological and other physiological damage. Intentional misuse of this product by deliberately concentrating and inhaling vapors can be harmful or fatal. Avoid breathing of vapors or mist and contact with skin, eyes and clothing. Do not take internally.

FIRST AID - IF SWALLOWED, do not induce vomiting. Call your poison control center, hospital emergency room or physician immediately for instructions. **IN CASE OF EYE CONTACT,** immediately flush with water, remove any contact lens, continue flushing with water for at least 15 minutes, then get immediate medical attention. **IN CASE OF SKIN CONTACT,** immediately wash with soap and water. If irritation persists, get medical attention.
